

# SON TRAINING SERVICES 2023 Training Calendar (Open Public)

*Building globally aware and competent people...*

We offer a range of management systems training courses on various Management System standards, to provide awareness, understanding and equip delegates with the needed skills to implement requirements and conduct MS audits. Our range of ISO transition trainings are tailored to your organizational needs, people and systems, thereby providing you with better understanding of how the changes relate to your future business performance

STANDARDS ORGANISATION OF NIGERIA  
...improving life through standards
