

STANDARDS ORGANISATION OF NIGERIA TRAINING SERVICES (STS) ISO 45001:2018 OCCUPATIONAL HEALTH AND SAFETY MANAGEMENT SYSTEM COURSE

Fast-Track Your ISO 45001 Certification – Tailored Offers for Auditors & Newbies!

In today's dynamic workplace, safety is not just a priority, it is a necessity. Whether you are an experienced auditor or just starting your journey in management systems, we have tailored training offers designed just for you.

Join our 5-day in-person OHSMS Lead Auditor course and take charge of safety, compliance, and risk management in your industry. From manufacturing to construction, healthcare to oil & gas, this training is your ticket to career elevation.

Our Exclusive Offer:

- **For Experienced Professionals:** If you are an auditor in other management system standards, enhance your expertise in OHSMS by taking our **ISO 45001 Implementation Course** online for FREE when you register for the **Lead Auditor Course**. The total fee is just **₦400,000**. Spots are limited. Admission requires prior Management System audit experience. Submit your evidence to qualify
- **For New Professionals:** If you are new to management systems, gain a comprehensive understanding with our **4-day training** covering both **Implementation and Auditor courses**. Enroll for both at a bundled fee of **₦550,000** and be ready to advance to the **Lead Auditor Course**.
