PRODUCT DETAILS

Type	Air conditioner – single split, non-ducted (wall), cooling only
Compressor	Inverter (variable speed)
Trademark	DAIKIN
Model No (indoor)	FTKL60UV16UD
Model No (outdoor)	RKL60UV16UD
Cooling Capacity	6.0 kW
Rated Power Input	1,965 W
Energy Efficiency Ratio (EER)	3.05 W/W
NSEER	4.29
Noise Level (indoor)	48 dB(A)

Refrigerant	R32 · 0.90 kg
Global Warming Potential (GWP)	675
Country of Origin	CHINA
Star Rating	★★★★★
Energy Class	3 Star (4.20 ≤ NSEER < 4.95)
Annual Consumption	3,615 kWh/year

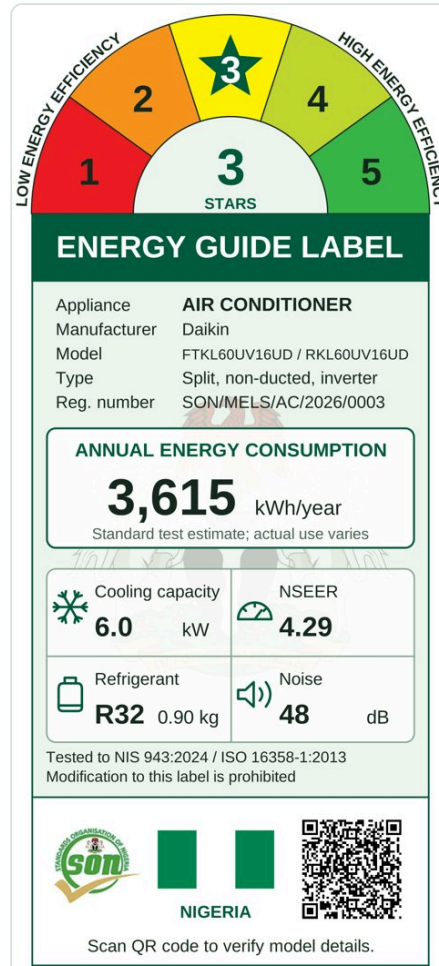

MONTHLY BILL BY TARIFF BAND

Band	Supply	₦/kWh	Monthly bill (₦)
<p>Based on 301.25 kWh a month (3,615 kWh/year ÷ 12), the standard NSEER estimate under NIS 943:2024 for a typical Nigerian cooling year. Actual use depends on room size, thermostat setting, hours of use and hours of supply.</p> <p>The Lifeline tariff (₦4.00/kWh) applies only to customers using no more than 50 kWh a month, so it does not apply to this appliance on its own.</p> <p>Tariffs: Abuja Electricity Distribution Plc (AEDC), NERC Order NERC/2025/003 (February 2025 Supplementary Order to MYTO-2024), Non-MD residential rates. Rates differ for other distribution companies and are reviewed monthly; bills shown exclude VAT and other charges.</p>
